

April 20, 2025

Howdy,

We are pleased to announce a collaboration with our [Colorado Section PGA](#) and Spare for Change to host THE Spare for Change 100 Holes per Hour event at Eagle Ranch Golf Club in Eagle, Colorado. The goal of the fundraiser is to help fund club-building events throughout Colorado to reach 5,000 new golfers this year. Last year, we gave out over 4,000 clubs to new players in Colorado and other states.

We will begin the challenge at 8:00am on Friday, June 6th, based on weather conditions. I will be playing out a 100 golf balls from 315 yards on the 14th hole at Eagle Ranch with a one-hour time limit, while Darren Rapaport from the Colorado PGA will be playing the par-3 15th hole at the same time. Yes, that means we tee off with 100 golf balls each and hole them all out in less than an hour. There will be volunteers there to document our work with a time-lapse video. My best score and time were 40-under par, 48 minutes in 2023.

Donations for this fundraiser may be made as an amount per ball, total score, hole sponsor, and/or a set amount donation of your choice. To our friendly businesses here in Colorado wanting to be involved, we humbly ask for a monetary donation, gift certificate or tangible donation that will be vital to us reaching our goal of \$80,000. This is the largest fundraiser of the year for Spare for Change, helping our nonprofit with annual operations.

Please consider supporting this event by check, cash, Venmo @spareforchange, or contacting David Havens, PGA at 808.298.8012 by phone and/or text as well as emailing david@spareforchange.org. For more information about what we do and have done, please visit www.spareforchange.org. Thank you in advance for your consideration. You have no idea how much we appreciate the love!

Sincerely,

dh
