

April 20, 2025

Howdy,

We are pleased to announce **THE Spare for Change 100 Holes an Hour** event at Eagle Ranch Golf Club in Eagle, Colorado. The goal of the fundraiser is to help fund golf club building events throughout Colorado. The dream is to help 5,000 new golfers in 2025. In 2024, we gave over 4,000 clubs to new players in Colorado and other states.

The 100 Hole an Hour challenge will begin at 8:00am on Friday, June 6<sup>th</sup> based on weather conditions. I will be playing 100 golf balls from 315 yards on the 14<sup>th</sup> hole at Eagle Ranch with a one-hour time limit. Yes, that means I will tee off with 100 golf balls and hole them all out in less than an hour. There will be volunteers there to document my work with a time-lapse video. My best score and time are 40-under par, in a time of 48 minutes in 2023.

Donations for this fundraiser may be made as an amount completed per ball by a certain time, total score, hole sponsor and/or a set amount donation of your choice. This is the largest fundraiser of the year helping our nonprofit with annual operations.

To our friendly businesses here in Colorado, we humbly ask for a gift certificate or tangible donation for our silent auction that will end that same day. The auction proceeds will be an equal financial split between the Colorado PGA REACH Foundation and Spare for Change. For Spare for Change, the money raised through the silent auction will fund tournament scholarships and travel for our junior recipients.
